Course code	2LG062
Course name	Transcription of Speech
Credits	3 credits
Form of Education	Higher Education, study regulation 2007
Main field of study	Not applicable
Level	GX - First cycle
Grading scale	Pass, Fail
Department	Department of Clinical Science, Intervention and Technology
Decided by	Programme Committee 4
Decision date	2013-11-15
Course syllabus valid from	Spring 2014

### **Specific entry requirements**

For admission to semester 2, the student may remain a maximum of 15 credits from semester 1.

### **Objectives**

On completion of the course, the student should be able to:

- account for and use relevant terminology, relevant tools and aids within the area
- transcribe vowels, consonants and certain prosodic phenomena
- consistently transcribe conversational interaction according to prevalent orthographic models

### **Content**

The course gives a practical orientation where the student practices his/her ability to handle relevant tools for transcription of verbal communication from authentic recordings. The course focuses on phonetic and phonemic transcription according to the International Phonetic Alphabet (IPA). Prosodic transcription and orthographic transcription of conversational interactions are also included.

The course may be given in English.

## Teaching methods

The teaching is given in the form of lectures and group exercises.

## Examination

The examination consists of individually written assignments.

For students who have not passed the regular examination, possibility for re-examination is offered at a total of six examinations. As examination sessions, the times that the student participated in the same test are counted. Supplementary qualification of a written assignment is counted as an examination.

## Transitional provisions

Examination can be given according to an earlier literature list during a time of one year after the date when a renewal of the literature list has been made. Examination will be provided during a time of two years after a possible termination of the course.

## Other directives

The course, as a whole, is given at the Department of Linguistics, Stockholm University.  
The course evaluation will be carried out in accordance with the guidelines that are established by the Board of education.
