

Course Schedule

Mandatory sessions are marked in red. The course runs at 50% during the whole autumn semester, 2024-09-02 to 2025-01-19. Please note that in addition to the lectures in the schedule below, each theme will also have additional seminars and supervision meetings during the weeks when no activities are scheduled. These activities will be agreed upon between the theme leader and the students during the course.
