Health Economics, Policy and Management 2027/2028

Statement of intent

Please describe why you are applying specifically to the Master's Programme in Health Economics, Policy and Management. Make sure all text is shown in the text field (do not exceed the text field or change the font size). Please note that this is the only motivation letter/text that will be considered.

D1004

Relevant research experience that is not part of your academic studies

Describe any research experience (max 4) that you have acquired that is **not** part of your Bachelor's (or higher) degree and that is of relevance for the Master's Programme in Health Economics, Policy and Management. Complete the form below for each research experience you cite.

You must verify each research experience by providing a certificate from your research supervisor (issued in English or Swedish) that contains the official letterhead of the institution etc., your supervisor's name, position, contact information and signature. We do not take comments on your performance into account, only confirmation of your position and duration. Documentation that does not include the information that is listed above will not be accepted.

In the description, include any publications of which you are an author that have resulted from your research experience. State the complete reference with authors, title, year, journal, volume and page numbers. Verify each publication by providing a copy of the first page of each published article (in English) in which the author list, abstract and journal name are shown. Make sure all text is shown in the text field (do not exceed the text field).

% of full time: 100 % is a full work week and equal to 40 hours per week. Example: If you worked on a particular project 4 hours per week, the workload is 10 %.

Title	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.

Brief description of project, subject area, techniques, responsibilities, publications, etc.

☐ **I have uploaded verifying documents**

Title	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.

Brief description of project, subject area, techniques, responsibilities, publications, etc.

☐ **I have uploaded verifying documents**
