Degree, field of study

Completion date (YYYY-MM-DD)

Other studies (e.g. freestanding courses)

Please provide the name of the course, number of credits and name of the university/educational provider and country.

Public Health Sciences 2025/2026

Research experience within academic studies

Describe any research experience (max. 4), for example your thesis/degree project, that you have acquired as part of your studies (Bachelor's or Master's level) by completing the form below. Certificates of verification are not required and should not be submitted. Make sure all text is shown in the text field (do not exceed the text field).

% of full time: 100 % is a full work week and equal to 40 hours per week. Example: If you worked on a particular project 4 hours per week, the workload is 10 %.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
--------------------------	-----------------------------------	---------------------------------	---------------------------------	-----------------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
--------------------------	-----------------------------------	---------------------------------	---------------------------------	-----------------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
--------------------------	-----------------------------------	---------------------------------	---------------------------------	-----------------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
--------------------------	-----------------------------------	---------------------------------	---------------------------------	-----------------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Public Health Sciences 2025/2026

Relevant research experience that is not part of your academic studies

Describe any research experience (max 4) that you have acquired that is **not** part of your Bachelor (or higher) degree and that is of relevance for the master's programme in Public Health Sciences. Complete the form below for each research experience you cite.

You must verify each research experience by providing a certificate from your research supervisor (issued in English or Swedish) that contains the official letterhead of the institution etc., your supervisor's name, position, contact information and signature. We do not take comments on your performance into account, only confirmation of your position and duration. Documentation that does not include the information that is listed above will not be accepted.

In the description, include any publications of which you are an author that have resulted from your research experience. State the complete reference with authors, title, year, journal, volume and page numbers. Verify each publication by providing a copy of the first page of each published article (in English) in which the author list, abstract and journal name are shown. Make sure all text is shown in the text field (do not exceed the text field).

% of full time: 100 % is a full work week and equal to 40 hours per week. Example: If you worked on a particular project 4 hours per week, the workload is 10 %.

Title	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------	----------------------------	--------------------------	-------------------	----------------------------

Brief description of project, subject area, techniques, responsibilities, publications, etc.

I have uploaded verifying documents

Title	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------	----------------------------	--------------------------	-------------------	----------------------------

Public Health Sciences 2025/2026

Extracurricular activities

Describe any extracurricular activities that you have performed (max. 3) that show ambition and initiative. Examples of such activities could be experience from serving on boards or committees, running projects, leadership or voluntary work, starting a business, etc. You must verify each activity you describe by providing a certificate (issued in English or Swedish) containing an official letterhead, the name, position, contact information and signature of the person providing the certificate, and confirmation of your position and its duration. If you would like to certify online extracurricular activities (for example YouTube-channels, websites etc.) for which you are unable to obtain a certificate, you should upload a screenshot of the page and include the link to the page in the text field below. Please note that it must be clear from the screenshot that you have contributed to the content. Only verified activities will be considered. Make sure all text is shown in the text field (do not exceed the text field)

Overall qualitative assessment model –

Global Master's Programme in Public Health Sciences 2025/2026

-Public Health Epidemiology

-Health Promotion and Prevention

Each applicant is assessed independently of other applicants on a scale of 10-170

Points are awarded only for merits that are described in English in the appropriate section of the CV-form and that have been certified according to the instructions in the CV-form.

The current merit evaluation model for the Master's Programme in Public Health Sciences is described below.

Subject focus of academic studies Maximum points: 40 Minimum points: 10		
	40	Relevant education in health, medicine or social sciences + courses in quantitative methods such as statistics, mathematics, or economics, or a degree in quantitative methods.
	20	Relevant education in health, medicine or social sciences without quantitative methods
	10	Other qualifying education.
Relevant professional experience in health, statistics or other relevant area outside academic studies Maximum points: 20 Minimum points: 0		
	20	Relevant work experience; in health (not only clinically) e.g., investigative work, research, statistics, prevention, public health improvement, community projects, implementation
	0	Lacking, irrelevant, or unverified experience
Research qualifications and scientific experiences outside academic studies Maximum points: 20 Minimum points: 0		
	20	Scientific publication in peer-reviewed journal (published) (i.e., first, second or last author in publication in relevant area)
	10	Participated in research activity (i.e., research assistant (extracurricular), academic experience (teaching), scientific abstracts, conferences, publications (in non-relevant areas, or with authorship not as first, second or last author)
	0	No or unverified experience

Statement of intent

Maximum points: 30

Minimum points: 0

	30	Exceptionally clear, well-structured, logical, good English, address specifically why the applicant wants to attend specific track
	20	Relevant
	10	Partially relevant
	0	Lacking, too long, irrelevant, bland, or incomplete

Overall assessment of the applicant

Based on the overall impression of the application but in addition also e.g. evaluation of grades, study performance, English proficiency, relevant volunteer work or degree projects, international work or study experience, relevant extra-curricular activities, research or studies.

Maximum points: 60

Minimum points: 0

Outstanding applicant	60	
Excellent applicant	50	
Very good applicant	40	
Good applicant	30	
Okay applicant	20	
Satisfactory applicant	10	
Bad or incomplete application	0
