

Introduction course (4HM000)

7.5 credit points

(Master Programme in Health Economics, Policy and Management)

Schedule

August 28 – September 29 (weeks 35-39)

Course Directors: Carl Savage (carl.savage@ki.se) & Mats Brommels (Mats.Brommels@ki.se)

Please note: Reservations for eventual changes. Expect to spend 40 hours/week on your studies. A large portion of this time will include group work, and previous classes have found it to be advantageous to work together on the KI campus. Prior to the course start, you will receive information about how to access Canvas where you will also find the final course schedule. Certain sessions will be live online or on campus and all are labelled as such.
