Master's Courses in Dementia Care for Physicians

60 ECTS, web-based distance learning

APPLICATION

You are required to attach the following required documents to your application in order to attest your general eligibility to the Master's Courses in Dementia Care for Physicians.

1. Diploma showing your university degree as a physician, for instance:

- Bachelor of Medicine, Bachelor of Surgery (MBBS)
- Medical Doctor (MD)

2. Official transcript of records of completed courses and grades for each semester.

The attached documents must be scans of the original degree diploma, transcript of record and authorised translations (if applicable). Karolinska Institutet will not accept scans of copies/certified copies. If your documents have been issued in colour then you must scan them in colour. Please make sure that you scan all pages (including for example diploma covers, pages which only contain stamps or information on the education system), and make sure that all details are visible.

Applications written in any other language than English or Swedish will be rejected. If translation is needed the translation of the documents must be performed by an authorised translator. Translations by interpreters are not accepted.

ENGLISH LANGUAGE

Karolinska Institutet recommends proficiency in the English language and this should be documented by an internationally recognized test such as TOEFL: internet based (iBT) with a total score of at least 90 and minimum score of 20 on written test, paper based (PBT) with a total score of at least 575, and minimum score of 4.5 on written test, or IELTS (academic) with an overall mark of at least 6.5 and no band less than 5.5; or other documentation that according to regulations certifies the equivalence of English B at Swedish upper secondary school.
