

Schedule

Date 1: 29th January, 10am-2pm.

Thesis presentation. All the students will present their thesis topic, half an hour per student divided as 15 min presentation and 15 min discussion. It will be on zoom and each student needs to send me a draft of the thesis project preferably 10 days before it.

Date 2: 22nd March, 10am-4pm.

Half time seminar. All the students will have a complete background, literature and introduction for their thesis. At the meeting, each will present the preliminary results of his/her thesis and we will have a discussion. A peer student will read and comment the thesis as well. The time for each presentation will be 45 minutes, divided as 15 min presentation, 15 min discussion with the peer reviewer and 15 minutes' discussion with the thesis coordinator. It will be on zoom and each student needs to send me a draft of the thesis project preferably 14 days before it.

Date 3: 11th June.

Presentation of the thesis work. There will be one official evaluator and one peer reviewer.
