

CV form for the Global Master's Programme in Translational Physiology and Pharmacology 2024/2025

**Karolinska
Institutet**

You must fill out the form in English. Please read the [instructions](#) before you complete the CV form.

IMPORTANT: You must fill out this form in Adobe Acrobat Reader. Using any other PDF-viewers may lead to conversion problems, and the CV form may appear blank after it has been uploaded to UniversityAdmissions.se.

If you have any questions regarding this CV form, kindly contact the Admissions Office at: [Contact Admissions](#).

First Name(s)

Last Name(s)

Checklist

Upload the CV form and certifying documents to your account at Universityadmissions.se. Kindly indicate in the checklist below which sections of the CV form you have filled in.

Please read the instructions for [how to upload](#). Check whether you have transcripts of records that need to be sent via [regular post or directly](#) from the issuing university to University Admissions.

Education (certified according to the instructions at UniversityAdmissions.se)

Research experience within your academic studies

Relevant research or work experience that is not part of your academic studies (certified according to the instructions)

Extracurricular activities (certified according to the instructions)

Statement of intent

Based on the information in this CV form, and your entire application, an overall assessment will be made.

D1009

Translational Physiology and Pharmacology 2024/2025

Education

Please state the name of the university where you obtained or are completing your degree and in which country. Please note that you must follow the country-specific instructions at [Universityadmissions.se](https://www.universityadmissions.se) for [how to certify your degrees](#). If you list any other studies such as freestanding courses, please also certify them. Make sure all text is shown in the text field (do not exceed the text field).

Completion date (year/month/day): if not completed, state the expected completion date.

Bachelor/undergraduate: Name of university, country

Degree, field of study

Completion date (YYYY-MM-DD)

Master/graduate (if applicable): Name of university, country

Degree, field of study

Completion date (YYYY-MM-DD)

Doctoral education (if applicable): Name of university, country

Degree, field of study

Completion date (YYYY-MM-DD)

Other studies (e.g. freestanding courses)

D1009

Education

Total number of credits in your bachelor's degree: _____ and master's degree (if applicable): _____

Other relevant courses (ie. mathematics, chemistry and statistics)

Number of credits earned as part of a master's degree that are not listed in the table above (i.e. from courses that are not related to the fields included in the table):

Translational Physiology and Pharmacology 2024/2025

Research experience within academic studies

Describe any research experience (max. 4), for example your thesis/degree project, that you have acquired (or will acquire before the end of the current academic year) as part of your studies (Bachelor's or Master's level) by completing the form below. Certificates of verification are not required and should not be submitted. Make sure all text is shown in the text field (do not exceed the text field).

% of full time: 100 % is a full work week and equal to 40 hours per week. Example: If you worked on a particular project 4 hours per week, the workload is 10 %.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------------------	----------------------------	--------------------------	-------------------	----------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------------------	----------------------------	--------------------------	-------------------	----------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------------------	----------------------------	--------------------------	-------------------	----------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Title/course name	Start date (YYYY-MM-DD)	End date (YYYY-MM-DD)	% of full time	Institution, company, etc.
-------------------	----------------------------	--------------------------	-------------------	----------------------------

Brief description of project, subject area, techniques, responsibilities, etc.

Translational Physiology and Pharmacology 2024/2025

Relevant research, work experience or extracurricular courses that are not part of your academic studies

Describe any research or work experience or extracurricular courses (max. 6) that you have acquired that is **not** part of your Bachelor (or higher) degree and that is of relevance for the Master's Programme in Translational Physiology and Pharmacology. Complete the form below for each research/work experience you cite.

You must verify each research/work experience by providing a certificate from your research supervisor/employer (issued in English or Swedish) that contains the official letterhead of the institution/company etc., your supervisor's/employer's name, position and signature. We do not take comments on your performance into account, only confirmation of your position and duration. Other letters of support are NOT considered! Only experience verified by appropriate documentation will be considered.

In the description, list any publications that have resulted from your research/work experience. State the complete reference with authors, title, year, journal, volume and page numbers. Verify each publication by providing a copy of the first page of each published article (in English) in which the author list, abstract and journal name are shown. Make sure all text is shown in the text field (do not exceed the text field).

% of full time: 100 % is a full work week and equal to 40 hours per week. Example: If you worked on a particular project 4 hours per week, the workload is 10 %.

Translational Physiology and Pharmacology 2024/2025

Extracurricular activities

Describe any extracurricular activities that you have performed (max. 5) that show ambition and initiative. Examples of such activities could be experience from serving on boards or committees, starting a business or running projects, leadership or voluntary work, etc. You must verify each activity you describe by providing a certificate (issued in English or Swedish) containing an official letterhead, the name, position and signature of the person providing the certificate, and confirmation of your position and its duration. If you would like to certify online extracurricular activities (for example YouTube-channels, websites etc.) for which you are unable to obtain a certificate, you should upload a screenshot of the page and include the link to the page in the text field below. Please note that it must be clear from the screenshot that you have contributed to the content. Only verified activities will be considered. Make sure all text is shown in the text field (do not exceed the text field).

Translational Physiology and Pharmacology 2024/2025

Statement of intent

Please describe why you are applying specifically to the Master's Programme in Translational Physiology and Pharmacology and to Karolinska Institutet, and explain why you believe you are a good candidate. The arguments you use as well as the format and structure of the statement will be assessed. Make sure all text is shown in the text field (do not exceed the text field).

D1009

Overall qualitative assessment model –

Global Master's Programme in Translational Physiology and Pharmacology 2024/2025

Each applicant is assessed independently of other applicants based on individual merits on a scale of 10-210. Two assessors judge each application separately and decide jointly on a final merit value.

Points are awarded only for merits that are described in English in the appropriate section of the CV-form and that have been certified according to the instructions in the CV-form.

The current merit evaluation model for the Master's Programme in Translational Physiology and Pharmacology is described below.

Subject focus of bachelor's/undergraduate level studies		
Maximum points: 40		
Minimum points: 10		
Highly relevant	21-40	
Relevant	11-20	
Fairly relevant	10	
Relevant research experience within academic studies		
Maximum points: 40		
Minimum points: 0		
Highly relevant	21-40	
Relevant	1-20	
None or unverified	0	
Study time in relation to the extent of the studies		
Maximum points: 10		
Minimum points: 0		
Normal study time	10	
Unjustified long study time	0	
Relevant research or work experience that is not part of your academic studies		
Maximum points: 40		
Minimum points: 0		
Highly relevant	21-40	
Relevant	1-20	
None or unverified	0	
Statement of intent		
Should clarify the student's ambitions and the ability to study the programme as well as a vision for future personal and career development.		
Maximum points: 40		
Minimum points: 0		
Excellent. Very well written, very relevant and well structured.	31-40	
Very good. Well written and relevant.	11-30	
Good. Satisfactory written and relevant.	1-10	
Not satisfactory written or missing.	0	

Overall assessment of the applicant

The credits are based on an overall assessment of all verified qualifications. In addition to the above categories a very good overall application, motivation and engagement as well as other relevant education in addition to a Bachelor's degree can be considered in this assessment.

Maximum points: 40

Minimum points: 0

Excellent applicant	31-40	
Good applicant	11-30	
Acceptable applicant	1-10	
Not satisfactory applicant	0
